Note: Due to allergies we ask that there is no smoking or peanut products consumed during the tutoring sessions. We would also ask that you please have your children ready to start when the tutor arrives for his/her session. Thank you for your cooperation!

The PEI Council of People with Disabilities thanks Easter Seals and its generous donors for its valuable contribution to our summer tutoring program.

Program Notes for Parents/Guardians:

Thank you for your interest in the PEI Council of People with Disabilities Summer Tutoring Program. We are looking forward to working with you and your child throughout the summer! Before submitting your application it is important to review the following notes:

Locations:

Due to the large volume of students involved in the PEI Council of People with Disabilities Summer Tutoring Program, it is essential that you clearly identify the location at which the tutoring will take place. If a location changes after the child has been scheduled, we cannot guarantee we will be able to accommodate the change and provide our service to your child.

Summer Camps/ Daycare:

In the case your child will be tutored at a summer camp or daycare, it is your responsibility to identify the times the child will be available at the camp, as they often leave to go on field trips. First thing in the morning is the most requested time. However, this time fills up quickly, and may not be available for your child. Identifying alternate times is essential! Please also remember that someone over 18 must be at the tutoring location during the lesson.

French:

Unfortunately we cannot guarantee your child will be matched with a bilingual Instructional Assistant due to availability, and area restrictions. However, most French Immersion students remain in the program, focusing on English goals throughout the summer!

Priority:

We will do our very best to accommodate all requests! Students are scheduled on a first come first serve basis, with consideration of mileage limits. We do our best to accommodate all requests, but with over 170 students we cannot meet everyone's needs.

Thank you again. We are looking forward to another great summer!
